Dear Shri. Mustafi,

Sub: Research Study on Policy Exclusion of Urban Poor in India

This is with reference to your letter (F.No. O-15012/76/04-SER) dated June 25th, 2007 on the interim report on the study on **Policy Exclusion and the Urban Poor in India**.

We have completed the interim report for submission to the Planning Commission. We have already sent a copy of this report to the Planning Commission earlier but this seems to have been misplaced. We are therefore re-sending a copy of this report for your perusal.

My colleagues have also briefed Shri. B S Rathore, Senior Research Officer of your division on the progress in the study and we would be grateful if you could kindly expedite the release of the next instalment for the study so that we can complete it expeditiously.

My apologies again for the miscommunication and consequent delay in sending you the report.

With Regards,

(Harsh Mander)
