Mr. R. K. Singh  
Principal Secretary,  
Disaster Management Department  
Govt. of Bihar.

**Sub: Regarding the visit to the flood affected areas of Bihar.**

Dear Mr. Singh,

It was a pleasure to speak to you.

As we discussed, it would be useful for me to visit the affected areas when the pressure of rescue and relief is eased a little on the local officials, so that they can concentrate on their duties.

Accordingly, I propose to visit the affected areas between 10 and 12 Oct (immediately after Dassahra). I wanted to confirm that these dates will suit the state government. It will still leave me enough time to prepare the report for the Supreme Court within the prescribed time limit.

We could then please also agree on a detailed interinary.

Warm Regards,

Harsh Mander
